

PRIVATE SALON ONE-PAGER

Before the Money Moves.

Legal infrastructure for athletes, founders, first-generation wealth, and family enterprise.

CONCEPT

A private, high-trust conversation for rooms where opportunity is moving faster than infrastructure. This salon helps athletes, founders, executives, families, and advisors understand the legal structure needed before money, visibility, access, and decision-making pressure enter the room.

DESIGNED FOR

Banks & Wealth Advisors Client education for athletes, executives, founders, and first-generation wealth builders.	Athlete Advisors & Agencies Family-facing legal protection and NIL-contract education.
Founder Communities Operating agreements, equity, contracts, brand rights, and advisor alignment.	Family Offices / Private Rooms Reputation, ownership, family roles, and decision-making authority.

CORE TOPICS

- Entity structure and operating agreements before the money moves.
- Contract review: payment, deliverables, use rights, exclusivity, approvals, termination, dispute resolution.
- Family roles, advisor alignment, and decision-making authority.
- Reputation and morals clauses in public-facing opportunities.
- NIL, athlete identity, brand rights, and future value protection.

FORMATS
